DON'T TAKE OUR WORD FOR IT...

Ladies, I know the task of selecting a wedding photographer is daunting, but look no further! Having Studio 220 shoot our wedding was the best decision we ever made! Our photographer went above and beyond on our special day to ensure we got the shots we wanted and kept everyone on schedule and organized! Not only that, but she was a total joy to work with and the images show it! We received our beautiful images just 4 weeks after our wedding and LOVE them all!

Studio 220 was the perfect choice for our wedding. Not only do they have great prices (I didn't find a single other photographer that could compare) but their service was outstanding. From our engagement session to the big day, I couldn't have asked for better. Our photos are amazing! Thank you so much!

-Jen & Jordan

My husband and I could not have found a better photography company! From the first consultation, to our engagement session, to our wedding day and everything in between...Studio 220 Photography was there to help in any way possible! The entire process was so easy and the people working here are some of the best! Once we saw the photos...we were even more satisfied! Everyone had so much fun working with the two of them, especially my husband and I! We received so many compliments saying how professional they were, how they were everywhere covering everything from the moment they arrived to the time they left. Thank you Studio 220, for everything!!
